Company Introduction

Y-STEP

Our company was established in 2013.

Our company's main products are bags, Handmade bags, shopping bags, Business bags, Fashion bags and other textile products. Our company is located in the beautiful city of Dongguan, China. Our main customers are from Europe and America. We have strict quality control procedures and competitive price. We have three designer teams with more than 12 professional . If you becoming our long-term customers will get more support. We update the catalogue every month. You can see many new styles every month. Our customized service is transparent and efficient, and you can understand its process at any time. We look forward to your becoming our long-term customer.

Our main sales countries are: USA, Canada, Europe, Australia, Japan and South Korea. We have strict quality process. We will go through two strict quality inspections before the products shipping. We have 3 professional quality inspectors who will inspect the quality in production and after the products are finished. We can provide you with photos and videos in production to let you know at which stage your products are produced.

We moved to the new office in 2024. You are very welcome to visit our company. We will become the best partner to help your business get better and better, which is our expectation. Our company purpose: Let quality and trust build a bridge to the world.
